

The 5th annual **International Biomass Conference & Expo** will take place April 16-19, 2012, at the Colorado Convention Center in Denver, Colorado. “This dynamic event unites industry professionals from all sectors of the world’s interconnected biomass utilization industries—biobased power, thermal energy, fuels and chemicals”.

This event is organized by BBI International and coproduced by *Biomass Power & Thermal* and *Biorefining Magazine*.

If you are planning on attending the expo make sure to stop by our booth (#925) and say hi. For more information please check out www.bbiinternation.com. We look forward to seeing you there.
